1. I want to fuel your passion. I want to set you free to keep from pleasing others so that you will please Me. Please Me and experience the freedom that I bring to you, that I offer to you, that I offer to you upon My table, that I offer to you in My body, My blood, My sacrifice provisioned before you.

2. Come to Me and see Me in My kingdom right before you, right before your very eyes, right before you in tangible, visible, reality—more real than the things which you look at that you have thought were real. I love you and I give you Me.

3. I give you My pie and My pie is not finite. I give you Me and I am not finite. I give you My resources and My resources are not finite. See Me and see how I am, see how I operate, read My book—My book still being written, still being written by those who will work with Me, seek Me, hear Me, and write My words.

4. I love you and I give you Me this day. I love you and I give you Me. I give you completely Me. Come enraptured be with Me, and enjoy Me and My touch and My significance which confidences you to walk in all manner of means, and all manner of lack, and knowing beyond any circumstance that I am Me and I am walking into you with My character, to set free your character and your design, so that you will be Me, fully.

5. That you will be fully Me more and more so, more and more so, fully, increasingly accelerating what I am doing through the earth, through you, through the earth, your design coming forth, your design being made known perfectly to you with precision, with crystal clear clarity and accuracy, described in your own vocabulary by the words that I give you that you write yourself, having heard them into your spirit from your mind, from My throne, from My heart, into you, onto paper, into digitized tablets and formats of only Me.

6. I come and I empower My body like never before. I come. There are no limits in Me. I come. I am not finite. I come and I call and I confirm My infiniteness now to you this day and how I desire, how I plead, how I have begged for you to come and hear My voice and hear My voice, and be willing to fail so that you are willing to succeed, so that you are willing to mature, that you are willing to risk, risk being wrong to risk being right.

7. Become entrepreneurial in Me and entrepreneurial with Me so that I can entrepreneur with you, through you, and My whole body, My globe, and access give you to things that you have never dreamed of, and yet My creations so evidently display before you.

8. I love you and I give you Me. I give you Me. I give you all of Me. Come enraptured be with Me. Come spend time with Me. Come let Me look into your eyes. Come open to Me and withhold nothing from Me and let Me withhold nothing from you. I will share with you My most intimate secrets of My universe, of My globe, of My every creation if you will come and enraptured be with Me. You choose, you choose what to do, you choose what to say, you choose what to be open to, and what to close yourself off to. You open to My voice or your close off to My voice. You rationalize things, you rationalize your intellect and you limit Me so severely when I want to come and empower you and freedomize you with freedom that gives you wings to fly and soar above anything you can now see imagine think or feel.

9. I love you and I significance you this day, those of you who will let me. Come let Me put My arm around you. Come let Me place eye salve, My eye salve, on your eyes. Come, come and let Me touch you, come and let Me heal you, come and let Me massage your heart back to life, to life, true life, abundant life, real life, living in My kingdom, which is so far transcendent above the kingdom of the visible, and yet so much is visible before you that gives rise to Me.

10. See Me, see Me, see Me in the words, see Me in these words, see Me in the words that I have given you. See Me in the words that I am giving you, see Me in the words where I clarify My call upon your life, your design, your potential, your power. If only you knew your power in Me. If only you knew the authority that I have been given. If only you knew the authority that I have given you, you would walk in realms of power and prowess so far above your meager existence today empowered only by mammonized confidence and significanced by dollars.

11. I love you and I come to you this day. I want to give you My words I want to give you My words and I want you to value My words. I want you to write My words and be willing to fail. I want you to open to Me. You cannot mature closed to Me, you cannot mature closed-book to Me. You cannot mature closed off and studying only words of another man, thinkers, thinkers, intellectually written words.

12. My spirit is life, My life is spirit, and you are spirit, and in abundant life there is spirit and in spirit there is abundant life, and in spirit and truth there is life abundantly.

13. Now come let Me empower you, let Me embrace you, let Me rub your hands, your arms, your legs, your eyes, let Me anoint your feelings, your emotions, your heart. Palpitate only for Me and let Me give you My kingdom for your kingdom. Let Me give you My adventure for your adventure. See Me in these words, see Me in the words I have given you, see Me in the things that I have told you before that you have wondered if they were from Me.

14. And see Me from the things that you may have heard or read or even written that are not Me. Be willing to be wrong so you can be right.

15. Write before Me, write, write, pick up your pens and write onto your keyboards, type, speak into dictation systems and let Me fly. Let me soar so that you can fly and soar. Kingdoms of Me await kingdoms of you if you choose freedom, freedom, freedom, freedom, freedom, freedom, freedom from the ways of the controlling constrictions of man, tradition, relationships that manipulate—power grabbing sources that are never satisfied.

16. I come this day and I give you freedom. I operate in freedom. I have given you such freedom. I gave you such freedom and I still offer you such freedom, in Me, and the power of choice is yours, the power to seize the authority and walk in the authority that I have given you, is yours. It is offered, it is offered, proffered this day to you.

17. Take up your mantle that I have given you and walk, walk up to the water and cast your mantle before Me and see what I do with your mantle when you have dedicated it to Me. See what I do with your mantle, see what I do with your mantle upon you, instead of it being carried in your arms and wondering, and being burdened using it, utilizing it, empowered by it, because it's My design upon you, in you, upon your fabric, upon the layers of your mind, body, spirit, and soul.

18. Give Me your talents, give Me your passion and let Me give you My passion. You want passion, you want excitement, you want adventure? Oh please, come to Me, let Me show you, let Me show you, let Me teach you what passion is, passionately embracing Me and My truth. Come to Me and let Me teach you what passion is, let Me show you what adventure is, let Me define excitement to you and succor not just on the counterfeit which delays, diverts, perverts, constrains, delays, prevents, and destroys.

19. Come to Me, see Me, hear Me, feel Me, become Me, and let Me come through your every action, your every word, your every motive, your every interpretation of Me, discerning Me with greater and greater discernment, discerning Me with greater and greater understanding, discerning Me with greater and greater ability to know Me, see Me, feel Me, and become Me.

20. I love you, I love you now, now, I love you not just in the future, I love you now. I gave Myself a ransom for you now, to operate now in the now that I give you today.

21. See what I have done, see what I have done for you, see what I have provided for you, and see what you can become in Me. I love you.

22. I call you into a higher place, I call you into My quarters. I call you into My chambers. I call you into the maximum potential which can only be exercised, can only be attained, can only be obtained, can only be operated, in Me, with Me, through Me, as

one, by Me, as one, with you, intertwined, every action inextricably permeated by Me. I love you. Miscible with Me, by Me.

23. I love you. Feel My heart pound for you this day, feel My heart pound for you this day. I love you and I give you Me. Come let you give Me you. Come let Me give you Me, more. Come to Me, come to Me, let My words live in you. Abide in Me and let My words abide in you—not just words of the past, but words now, today, for now, today, now, today, now, now, today. I love you. I love you.

Smile at Me, let Me smile at you. Come embrace Me, let Me embrace you. Come now. Come now, fly, soar with Me upon My shoulders, upon My wings, operating the way that I do things. Open to Me and be released, empowered.

Lovelier become, reflecting Me, and I thank you.

I thank you. I thank you. I bless you.
I empower you.
Come more. Come.
Thank you.
Amen.
